++ Valid for broadcast between 1800 and 0600

Headline:
Dry, bright much of Tuesday. Showers early and late.

This Evening and Tonight:
Some drier weather developing this evening before a band of showery rain extends northwards overnight. Drier, clearer weather will follow to southern half of Scotland by morning. Also persistent rain over Northern Isles will die out later. Milder, frost-free night.

Tuesday:
Early showers clearing from northwest Scotland in the morning, otherwise mostly dry with some sunshine. Clouds building and showers returning from south later in afternoon and evening. Light winds.

Outlook for Wednesday to Friday:
A mix of sunshine and showers but often quite cloudy in the far north when winds fall light. Feeling warm when the sun is out.
